Letter from the General Manager

Dear Members,

We're back open after the summer shutdown. The two weeks were devoted almost entirely to deep cleaning—every room, top to bottom—which is work that simply cannot be done properly while the Club is operating.

A few things are worth your attention this month.

A new lunch and dinner menu. Chef Coyle's first full menu launches this month. He joined us at the end of March and has spent the spring rebuilding the kitchen from the ground up—with stronger inventory controls, new suppliers, and new standards. This menu is the first time you'll see all of that come together on the plate, taking the Club's dining program in a fresher, more seasonal direction.

Matthew Canariato behind the bar. Matthew joined us in July as Lead Bartender after coming to us from Binghamton Country Club. He is rebuilding the back bar and cocktail list. If there is something you would like us to stock, tell him—that is exactly the kind of thing he is here to sort out.

A new point-of-sale system. Your check will look different. The itemization is clearer, and the service charge now appears as its own line rather than being included in the total. If you have any questions about a check, please bring them to the main office.

Automatic payment. We are currently working to introduce an automatic payment option and hope to have it available beginning in September. Participation will be entirely optional, and members who prefer to continue paying as they always have may do so. Additional information will be provided once the program is ready.

Holiday parties. December is filling quickly. If you are considering hosting at the Club, please reach out to me soon to discuss available dates.

On the calendar in August:

- Every Tuesday — Mediterranean Night, this month's Tuesday dining feature
- Every Friday — \$2 Oysters and \$5 Bubbles
- Saturday, August 15 — Date Night with two-for-one entrées
- Friday, August 21 — A Day at the Races at Saratoga. Only a few tickets remain, so please call the office soon.

Come in and see what we've been working on.

Always in service,

Bryce Grantham

General Manager

First Drink Friday Sponsorship Information

First Friday of Every Month

Overview

First Drink Friday is a monthly social tradition and sponsored event where every guest's first drink of the evening is covered. The gathering is designed to foster camaraderie among members, encourage networking, and bring new faces into the Club in a relaxed, welcoming setting.

Sponsorship

Options Members or businesses can sponsor a First Drink Friday by setting a spend limit of up to \$500. Once the limit is reached, guests may continue to enjoy drinks at their own expense. Sponsorship may be made in a personal capacity or under a business name.

Sponsorship Benefits

When a First Drink Friday is sponsored by a member, their business and name are featured throughout the month in Club communications — including event signage, the newsletter, social media highlights, and bar promotions. This provides both recognition and visibility within the Binghamton Club community.

Purpose

- Strengthen member engagement and Club culture.
- Provide an accessible, fun networking opportunity.
- Offer sponsors meaningful visibility and community goodwill

We are looking for sponsors! Email fferrara@binghamtonclub.com if interested.
