Letter from the General Manager

Dear Members,

Now that we're into April, I wanted to take a moment to share where things stand and what's ahead.

Thank you to everyone who joined us for Easter Brunch — it was a great turnout and a strong step forward in what we're building here. Thank you as well to those who came out for First Drink Friday to kick off the month — a great night and a strong start to April.

Over the past several weeks, we've been making steady, intentional improvements across the board. Our focus remains the same: consistency, execution, and elevating the overall experience — whether you're joining us for dinner, drinks, or a private event.

Here's what's coming up:

Date Night — Saturday, April 11th

Two-for-one entrées. Bring your partner, bring a friend — we'll take care of the rest.

Steakhouse Burger Night Our monthly rotating dining feature continues — a straightforward, high-quality take on a classic.

BBQ Night — Thursday, April 24th Buffet

Come hungry.

I want to thank those of you who have been in regularly and taken the time to share feedback — it's appreciated, and it's helping shape the direction we're heading.

I look forward to seeing you around the Club.

Always in Service,

Bryce Grantham

General Manager

First Drink Friday Sponsorship Information

First Friday of Every Month

Overview

First Drink Friday is a monthly social tradition and sponsored event where every guest's first drink of the evening is covered. The gathering is designed to foster camaraderie among members, encourage networking, and bring new faces into the Club in a relaxed, welcoming setting.

Sponsorship

Options Members or businesses can sponsor a First Drink Friday by setting a spend limit of up to \$500. Once the limit is reached, guests may continue to enjoy drinks at their own expense. Sponsorship may be made in a personal capacity or under a business name.

Sponsorship Benefits

When a First Drink Friday is sponsored by a member, their business and name are featured throughout the month in Club communications – including event signage, the newsletter, social media highlights, and bar promotions. This provides both recognition and visibility within the Binghamton Club community.

Purpose

- Strengthen member engagement and Club culture.
- Provide an accessible, fun networking opportunity.
- Offer sponsors meaningful visibility and community goodwill

We are looking for sponsors! Email fferrara@binghamtonclub.com if interested.
