Letter from the President

Esteemed Members of the Binghamton Club,
I don't know about your experience this winter, but mine has been dominated by snow and cold! That being said, we had a busy holiday season here at the Club, and I hope you got a chance to stop in and take a look at the beautiful decorations over the month of December.

We made it through January and luckily a short February and look forward to March and hopefully an early spring!

We on the Board have been continuously working on improving the member experience as well as some upgrades and maintenance to the building. You might have noticed the beams being refinished and repaired in the reading room and some painting work in the locker room hallway and men's 2nd floor bathroom. In addition, both sauna heaters were replaced in the locker rooms and I hope you are all enjoying those. One other project on our radar will be the replacement of all the TVs in the Fitness Center which will be happening over the course of the next month.

On the topic of cuisine and dining, Chef Matt has been working on some exciting menu changes and upgrades to keep the selections fresh for the upcoming season.

Our biggest Club news, as an effort to provide an upgrade in member experience, we have decided to promote Bryce Grantham to the position of Club Manager. I am sure you've most likely met Bryce already, but he comes from a private club background in Rochester NY, and is a capable steward to lead the Club forward for years to come. I hope you all will join me and the Board at Bryce's Welcoming Reception on March 17th at 5pm in the main bar for a cocktail and some conversation with our new General Manager.

And just a reminder to read your Club emails and the newsletter so you don't miss any information on all the upcoming events happening at the Binghamton Club.

As always, thank you for your support, and I look forward to seeing you soon at the Club!

Bernard J Marchuska

Letter from the General Manager

Dear Members,

I want to begin by saying how grateful I am for the opportunity to serve as General Manager of Binghamton Club. Having worked alongside many of you over the past year, I have come to appreciate what makes this place genuinely special — and I do not use that word lightly.

The Club is not simply a building or a collection of amenities. It is a community built on relationships, traditions, and shared experiences that, in many cases, span generations. That is not something you find everywhere, and it is certainly not something we take for granted.

My focus moving forward is straightforward: providing a consistent and welcoming experience each time you walk through our doors — warm service, well-prepared food, and an active social calendar whether you are joining us for a quiet lunch, an evening cocktail, or a family celebration. The goal is not to reinvent what makes Binghamton Club the Binghamton Club, but to ensure it operates at the level it has long deserved.

Over the coming months you will see continued attention to service, communication, and programming. Each decision is guided by the same purpose: supporting the long-term health of the Club and the experience of its membership.

My door is open, and I mean that practically, not just as a pliantry. I encourage you to come find me, introduce yourself, and share your thoughts. The best clubs are shaped by the people who use them every day.

With 145 years of history behind us, we have an extraordinary foundation. I look forward to building on it together.

Always in Service,

Bryce Grantham

General Manager

First Drink Friday Sponsorship Information

First Friday of Every Month

Overview

First Drink Friday is a monthly social tradition and sponsored event where every guest's first drink of the evening is covered. The gathering is designed to foster camaraderie among members, encourage networking, and bring new faces into the Club in a relaxed, welcoming setting.

Sponsorship

Options Members or businesses can sponsor a First Drink Friday by setting a spend limit of up to \$500. Once the limit is reached, guests may continue to enjoy drinks at their own expense. Sponsorship may be made in a personal capacity or under a business name.

Sponsorship Benefits

When a First Drink Friday is sponsored by a member, their business and name are featured throughout the month in Club communications – including event signage, the newsletter, social media highlights, and bar promotions. This provides both recognition and visibility within the Binghamton Club community.

Purpose

- Strengthen member engagement and Club culture.
- Provide an accessible, fun networking opportunity.
- Offer sponsors meaningful visibility and community goodwill
