# Letter from the General Manager

---

Dear Members,

As we move into May, I want to thank all of you for the support, patience, and energy you've brought into the Club these past several months.

April was an active month throughout the building, with strong attendance across both private events and member programming.

It was encouraging to see so many familiar faces back in the Club and so much life in our dining and event spaces.

Our focus remains the same: a Club experience that is dependable, welcoming, and consistently well-executed.

Whether you're joining us for dinner, drinks at the bar, a private event, or a member evening, the goal is simple — warm service, quality food, and an atmosphere members are proud to bring guests into. Behind that goal is daily work across staffing, training, service, and kitchen operations, and I'm proud of the progress the team continues to make.

Looking ahead this month, our next Date Night at the Club is Thursday, May 15th. After a strong turnout at our first Date Night, we're excited to keep building on it — a relaxed evening, good food and drinks, and a great reason to bring your spouse, a guest, or a few friends in for the night. I'd encourage you to make a reservation early.

---

I also want to personally encourage every member to attend the Annual Meeting on May 26th. The direction of the Club depends on an engaged membership, and your voice in that room helps shape the year ahead. These meetings matter, and I hope to see a strong turnout.

As we head into summer, the rhythm of the Club naturally slows down a bit, as it does every year. Even so, I hope members continue to make use of the Club throughout the season — whether that's stopping in for a quiet dinner, meeting friends for a drink, or bringing in guests for an evening at the Club. Summer can be one of the more relaxed and enjoyable times to be here, and we'd love to continue seeing familiar faces around the Club.

Most importantly, thank you to everyone who continues to show up — by dining with us, bringing in guests, and being part of the daily life of the Club. A private club is built by its membership, and your continued engagement is what makes this place what it is.

I look forward to seeing all of you around the Club this month.

Always in Service,

Bryce Grantham

# First Drink Friday Sponsorship Information

## *First Friday of Every Month*
